

ROSWELL DAILY RECORD.

VOLUME 8.

ROSWELL, NEW MEXICO, MONDAY EVENING, MAY 30, 1910

NUMBER 74

WANTS TO BE SPEAKER

Washington, May 30.—"I would rather be speaker for two years than United States senator for eighteen years," said Representative Champ Clark, of Missouri, Democratic leader of the House. "Of course nothing is certain but death and taxes, but the Democrats will control the next house as sure as you are living, and I think I have a good show for the speaker ship."

In this way Mr. Clark disposed of the report that he will be a candidate for the senate to succeed Senator Warner, Republican.

TO BUILD A COMPLETE

CHURCH IN TEN HOURS.

Peoria, Ill., May 30.—To start the construction of a church and finish it in ten hours is one of the features of the Memorial Day services here today. The work was started at seven o'clock this morning in charge of Earl Stout, of the Carpenter's Union, who has seventy-five men under his direction. One hundred and twenty-five men of the Brotherhood of the Central Christian church will work shoulder to shoulder with union carpenters, but there will be no labor trouble because of this. Rev. W. F. Turner, pastor of the mission, took off his coat and marched the men of the Brotherhood to the scene of the day's strenuous work. The climax is to come at six this evening, when a praise meeting will be held for the fact that the church will be clear of all indebtedness.

THE FOUNDER OF TOMS.

STONE DEAD IN CALIFORNIA.

Los Angeles, May 30.—Richard Garde, known as the father of the California beet sugar industry and prominent in the development of California and Arizona, died at his home here yesterday, aged 74. He laid out the city of Prescott, Arizona, and in 1879 founded the city of Tombstone.

NO MEETING OF CITY

COUNCIL FOR TONIGHT.

When the city council went into recess it was with the intention of meeting tonight to pass the proposed new ordinances on sprinkling, automobiles, city supervisor and for the tax levy. But since Mr. Cummings is serving on the George Musgrave jury in district court, no meeting of the council will be held until that trial is ended. The council meets next Tuesday night in regular session.

CHINESE PLAN BIG BOYCOTT

OF AMERICAN MADE GOODS.

San Francisco, Calif., May 30.—The Chronicle today says "a boycott of American goods which is to extend all over China is the plan formulated at a meeting held yesterday at the headquarters of the local Chinese Chamber of Commerce and tomorrow cablegrams will be sent to the merchant's societies of China asking their co-operation."

More than five hundred representative citizens of Chinatown were

present at the meeting. As one of the reasons for the proposed boycott, one of the mavers stated that the Chinese not only of San Francisco, but throughout the country, have felt for some time that they are not being treated with justice. The detention sheds at Angels Island, in San Francisco Bay are special cause for complaint. It is intended to organize branches in every city in the United States, Canada and Mexico.

BODY OF LONG MISSING

GIRL FOUND TODAY.

Louisville, Ky., May 30.—The body of a girl badly decomposed and believed to be that of Alma Kellner, an eight year old girl, who mysteriously disappeared from her home last December, was found today in the sub-basement of St. John's school at Clay and Walnut streets. The body was lying in three feet of water.

Later the body was positively identified as that of Alma Kellner by her

INDICTED FOR BRIBERY HE

EVASDES THE DETECTIVES.

Chicago, May 30.—State Senator John Broderick, who was indicted by a Springfield grand jury, charged with bribery in the election of William Lorimer to the United States senate, is still missing. He spent last night a way from his home in this city and has successfully evaded the efforts of the Springfield and local detectives to find him.

Later in the day Senator Broderick surrendered himself to the sheriff.

Mrs. M. R. Chunn, M. D., and little son who have been at Mrs. Chunn's estate near Lake Arthur for ten days, left this morning for their home in Lingerville, Texas.

MEMORIAL DAY EVENTS

New York, May 30.—New York today observed Memorial Day not merely with the traditional ceremony but with the unusual honor of the presence in the city of the President of the United States to review a parade of veterans.

The weather was ideal and enormous crowds were drawn to the avenues and streets through which marched the rapidly thinning ranks of the blue.

A great host also massed about the stand at the Soldiers and Sailors monument where President Taft watched the Grand Army men and kindred organizations pass in review.

The Day at Chicago.

Chicago, May 30.—More careful preparations were made for the observance of Memorial Day in Chicago this year than for many years past. Ceremonies at the two score of cemeteries about the city were features of the morning, while a large parade occupied the afternoon. Many veterans were taken over the route in autos. Several hundred regulars, who made a two-day march from Fort Sheridan, took part in the procession.

A Holiday at Washington.

Washington, May 30.—The halls of congress and the executive departments were closed today while the states of the Nation participated in commemoration of Memorial Day. An elaborate program filled today, beginning with a street parade of veterans and soldiers, and including impressive ceremonies at the Arlington National Cemetery, the United States Soldiers' Home, the Congressional and Battle-ground Cemeteries and others. An impressive spectacle was the setting adrift of a flower-laden boat on the Potomac river by the Spanish war veterans in honor of the Nation's naval dead.

DRY DOCK DEWEY WAS

DELIBERATELY SUNK.

Manila, P. I., May 30.—Further examination of the dry dock Dewey, which is partly submerged at Olango in Subig Bay, has strengthened the belief that the damage was done deliberately by a band of conspirators. Experts believe a large hole will be found on the port side or bottom of the dock, but it is probable the mystery will not be cleared until the dock is raised.

FOR SALE.—An almost new rubber tired toy buggy used only a short time. Will sell at a bargain if taken at once. Apply to Henry Johnson at Kiplings.

FLEW N. Y. TO ALBANY

New York, May 30.—Glen Curtiss' marvelous feat of aviation in flying from Albany to New York yesterday, one hundred and thirty-seven miles in one hundred and fifty-two minutes, compelled the attention of the entire world today.

The flight from the State Capitol to Governor's Island breaks all speed records in aviation and distance contests.

Mr. Curtiss said today that he believes still greater flights will be accomplished and at no distant date.

For minutes at a time the Curtiss biplane, which is the smallest that ever figured in a great aviation contest, skimmed through the air at sixty miles an hour.

Curtiss' control of the biplane was remarkable. Only once and then off the treacherous Storm King, near West Point, did the machine go from control. Caught in a sudden puff of wind which tilted the planes, the biplane dropped like a plummet for about forty feet, but Curtiss by skillful handling brought the machine quickly back to equilibrium.

Curtiss' feat wins for him the ten thousand dollars cash prize of the New York World.

Flight from Chicago to New York.

New York, May 30.—Charles K. Hamilton, the aviator, has offered to subscribe two thousand dollars towards a prize of perhaps twenty five thousand dollars, or more, for a flight from New York to Chicago.

"Within sixty days," he said, "feats will be performed that will make Curtiss' flight look very simple, but really it is easy money. Next we should have a prize for a really difficult flight such as between New York and Chicago. That distance is about 960 miles. I would limit the time to thirty-six hours and the number of stops to seven. It can be done but it will be a test for both aviators and machines."

MINIATURE TORNADO HIT

WICHITA ON SUNDAY NIGHT

Wichita, Kan., May 30.—A miniature tornado hit Wichita Sunday night and did considerable damage to residences, orchards and other property. No lives were lost. The Western League base ball park was badly damaged.

SEVERE FIGHTING NOW TAK-

ING PLACE IN NICARAGUA.

San Juan del Sur, Nicaragua, May 30.—General Luis Mena, commander of the insurgent forces at Rama has refused to surrender the town. General Chavarria had offered to guarantee the lives of the rebels. President

Madriz has ordered the operations to continue until the town falls.

Fighting Near Bluefields.

Washington, May 30.—Severe fighting between the troops of President Madriz and those of the provisional government of President Estrada, took place this morning early near Bluefields. Two hundred prisoners were taken by Estrada's troops.

Lake Arthur Ball Team Here.

The Lake Arthur base ball team, strengthened with the best players from the entire lower valley, arrived this morning and is playing the locals at Amusement Park this afternoon, the game being called at 2:30.

Halley's Comet.

FIFTH WITNESS ON STAND

IN MUSGRAVE TRIAL.

The fifth witness is on the stand this afternoon in the trial of George Musgrave. Sam Butler, an eye witness of the shooting of George Parker by Musgrave, was the first witness, occupying much of Saturday afternoon. He told of the shooting but could not recount the conversation immediately preceding the firing of the fatal shot, as he was at a distance peeling potatoes at the time the conversation took place. Dick Hallard, present probate clerk and county recorder, was the second witness. He was with the outfit in which Parker was working, but was not in camp at the time of shooting. He saw Musgrave the morning of the killing, before the affair occurred. Will Marble was the third witness but was not present at the time. Billie Phillips another eye witness, was the fourth witness, occupying a portion of this morning and recounting what he saw of the shooting. Ed Marble went on this afternoon as the fifth witness.

Before taking up the Musgrave case this afternoon, the court heard a motion for a change of venue in the \$20,000 damage suit of Frank Shirley, brother of the late Ollie Shirley, against W. T. Wells, in which Frank Shirley claims \$20,000 damages for the shooting of his brother by Mr. Wells.

R. P. Bean and family are moving to their country residence east of town for the summer months.

John B. Kipling will arrive home tomorrow from a trip to Santa Fe and El Paso. He will be accompanied from El Paso by Mrs. Kipling, who has been visiting in San Antonio and met him in the Pass City.

Jean of Arc Anniversary.

Paris, May 30.—The anniversary of the burning of Jean of Arc, May 30, 1431 was observed here today with religious and patriotic exercises.

ENFORCEMENT OF THE

TWENTY- EIGHT HOUR LAW.

Department of Agriculture to Bring Test Cases as to Space to be Allowed Live Stock in Cars.

Washington, May 30.—A controversy has arisen between some of the railroads of the country and the large live stock shippers in regard to the space in the cars which must be afforded animals in transit from one State to another in order to make unloading unnecessary and still comply with the twenty-eight hour law. This law provides that when the animals are carried in cars "in which they can and do have proper food, water, space, and opportunity to rest" they shall not be required to be unloaded. The Department of Agriculture has been appealed to by both railroads and shippers, and today the position of the Department is tentatively announced as follows:

If the cars are not loaded beyond the minimum weight fixed by the tariffs the Department will not, for the present, raise the question as to whether sufficient space is provided for the animals to rest; but railroads which load beyond the minimum and do not unload for rest will have to take their chances of prosecution in the courts.

It is the intention of the Department to institute a number of test cases and secure rulings from the federal courts as to what space must be afforded. It is claimed by the Department that this is the only course, open, since no power is given the Secretary of Agriculture by the law to make rulings and regulations regarding space to be afforded in cars.

In all cases where live stock is not unloaded en route "into properly equipped pens for rest, water, and feeding" the cars must be provided with facilities for feeding and watering in transit, and live stock must, when so fed and watered, receive proper feed and water.

MANY HURT IN COLLISION

Oakland, Calif., May 30.—At least twenty-five persons, most of them women and children, were injured, some of them fatally, this morning in a collision of two cars of the California Electric Railway about nine miles from Oakland.

A car containing about twelve persons was returning from the picnic grounds and failed to take a switch. It crashed into a crowded out-going car. The front ends of both cars were demolished. The brakes on the out-going car refused to work after the accident and the car, loaded with the injured and injured, ran for a mile before it could be stopped.

The injured include William Holmes aged eighteen leg cut off; George Goldspring, both legs cut off and Mrs. Paddock, hip broken.

BAPTIST REVIVAL MEET-

ING CLOSED LAST NIGHT.

With the largest crowd ever put in the big auditorium of the Baptist church, the Baptist revival meetings were closed last night. Dr. McDowell preached the closing sermon and Mr. Sellers led the singing. It was a meeting full of interest.

The revival is considered a success, in fact between twenty or thirty made profession of their faith through its influence and a great many others were greatly benefited by the services. Two were baptized on the opening night of the meetings. Three more were baptized last night and five will receive the ordinance of baptism next Sunday and still more on the following Sunday.

Beaty Opens New Laundry.

Will Beaty now has his new laundry at 115 East Second street running in full swing, with fifteen employees, having opened up the new place last week. He intends to increase his working force as soon as he gets the business more thoroughly organized. He is now overran with work.
